

The
Longhorn
TARKINGTON HIGH SCHOOL
CLEVELAND, TEXAS

1958

Dedication

Time moves swiftly and our school grows in size and prestige. It is our world.. we live in it... we love it.... The build-ups..... the let downs..... the confusion..... the growing pains..... the sometimes quiet still of the corridor... the murky, mist-filled mornings on the way to the school bus.

To you, the Tarkington Community who have lived the events pictured on these pages and make our world of memories, do we, the Staff, dedicate the 1958 LONGHORN.

The Staff

Foreword

Is it possible for a small group of students to truly record the intangible memories that surround an individual during a year of his school life?

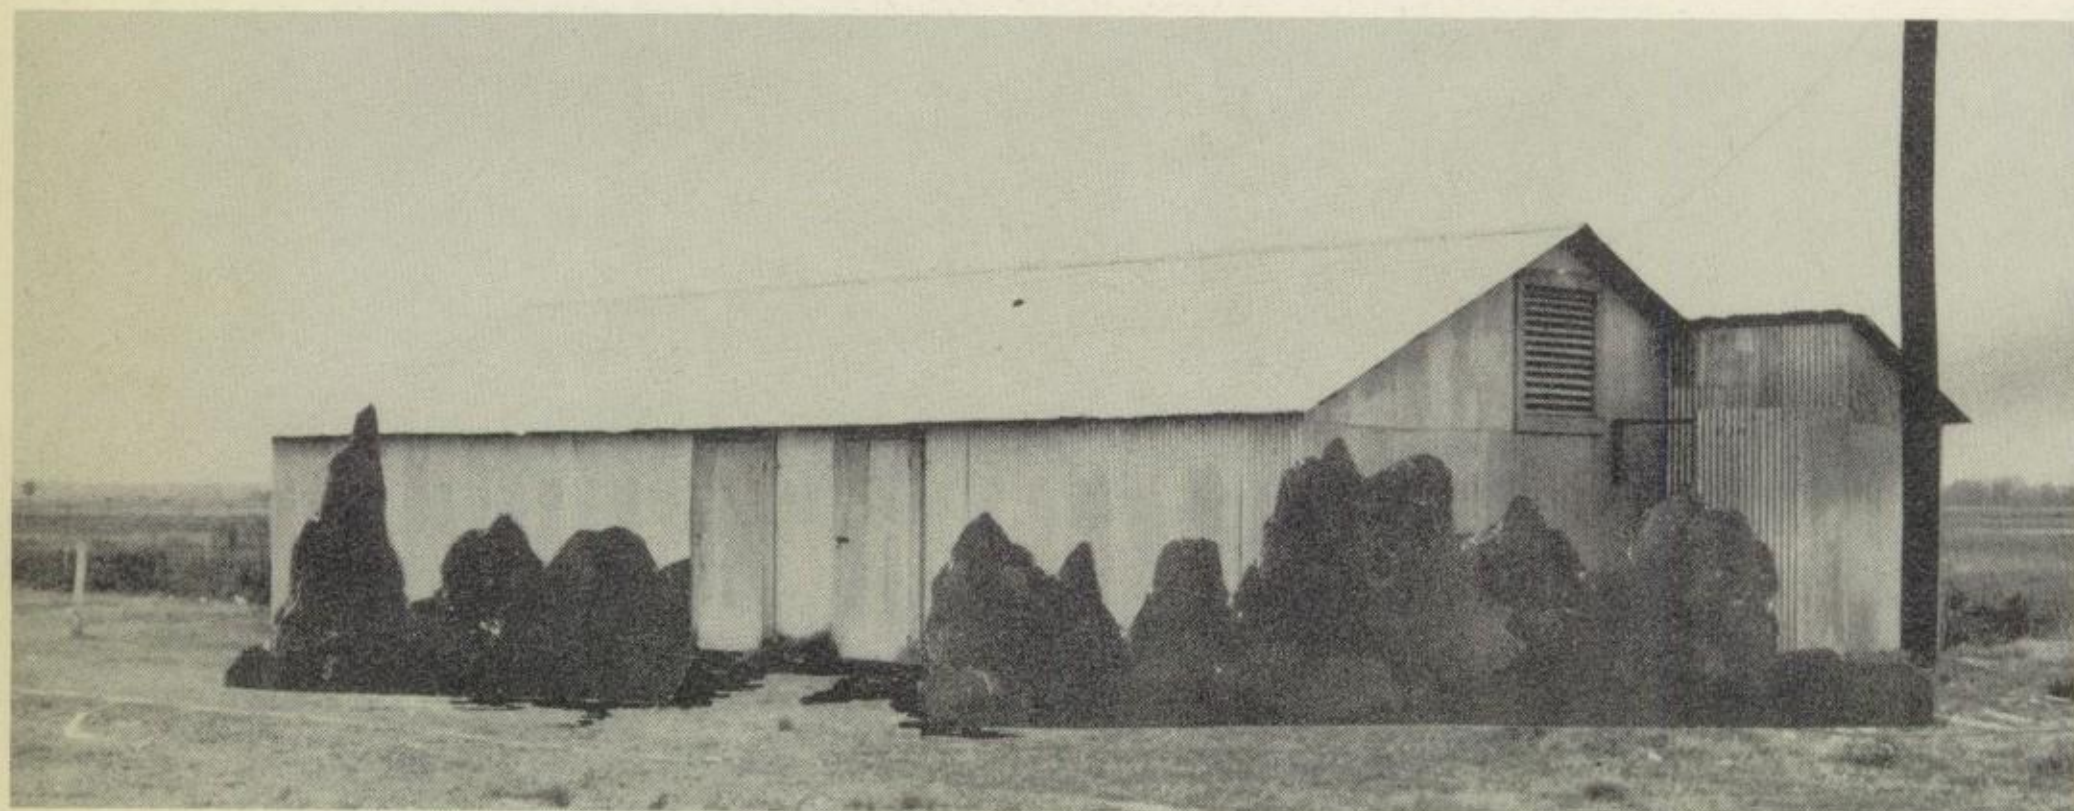

That was our job. Our assignment was to bring into permanence the certain tiny elements that weave the patchwork quilt of your school life. It wasn't an easy job, or a hasty job, or even a very glamorous job...but we loved doing it. It was a part of Tarkington, part of the life.....and thus a part of us. We did it for you, and your children and your children's children. We tried hard.....we worked long..to bring you the

Superintendent's Message

This has been a year of great accomplishments for Tarkington. For these we can be justly proud. That which has been achieved should be used as stepping stones to greater accomplishments.

Let us show our appreciation to those who have led us by taking advantage of opportunities that are now ours. Let us strive to make each day count for something really worthwhile. Each tomorrow should be more enjoyable because of a well-spent, TODAY.

The staff has done a good job in portraying the important activities of the past year in THE LONGHORN. They have made it possible for us to better remember the good things we have enjoyed together.

My best wishes go with the graduating class in all your future endeavors.

Sincerely,

James P. Evans

TREASURER

PARENT-TEACHER PRAYER

Heavenly Father:

We come to Thee for wisdom to understand our Children and patience to live, work, and share our lives with them.

Grant us Power to guard their health, education, recreation, and spiritual development and to make them strong in body, mind, and spirit.

Teach us to love our neighbors, that our children may learn tolerance and that there may be peace among nations.

Free us from fear, that our courage may make our homes a haven of security for those we love.

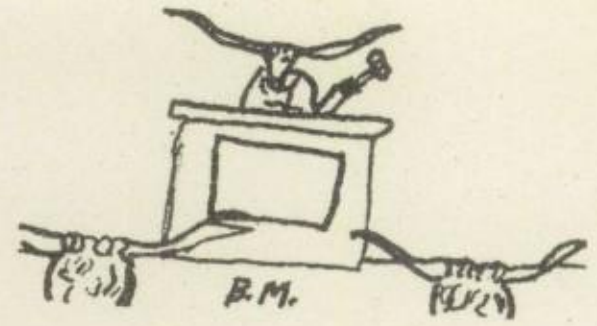

Strengthen all who lead, that they may know and do Thy will in our time.

Fill our Hearts with faith, that our gifts and powers may be used to lay the firm foundations of a better world. Thou will be refuge; to our flag, a promise; to our country a fortress. Amen
